

Mrs. Davis' Newsletter

WEEK OF: 11/9-11/13

Reading

Students will listen to “Step-by-Step Advice from the Animal Kingdom” in the reading book. It is a Procedural Text, which will explain directions on how to do something. We will also discuss other forms of procedural texts like recipes and manuals.

Students will also read decodable stories in class and at home that focus on the ‘sh’ digraph. These will be more independent reads for the children.

Lastly, students may keep the first reading book (the one with the playground) at home. It is theirs to keep and will not be needed at school any longer.

Spelling

Students will focus on the ‘sh’ digraph. Students will not test online this week.

This week’s words:

dash, fish, rush, ship, shop, wish

Grammar

Students will learn all about making complete sentences. Making a complete sentence means having a capital letter at the beginning, punctuation at the end, and must make sense.

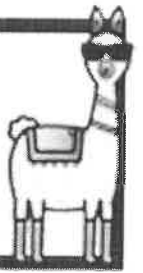

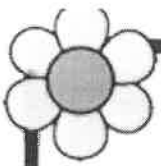

Sight Words

This week’s words: by, call, could, know, some, there, were, would

Students will test on these words in upcoming weeks. Please study sight words everyday. It is so important for them to do that in order to become strong, fluent readers. Sight words often cannot be sounded out.
