

Mrs. Davis' Newsletter

WEEK OF: 9/7-9/11

Language Arts

We will be focusing on reviewing more letter formations and sounds. The letters we will concentrate on are p, j, l, h, k, v, w, y, x, z, q. We will also review Kindergarten sight words. Please see the back of this page for those sight words. Please practice those words with your child at home. Your child will not be graded on those words, but he/she will need to know them to be better prepared to start reading. In addition, your child will be given additional assignments online this week, which are found using the Canvas app.

Social Studies

Students will learn about the flag of the United States of America. Students will also learn how to say the pledge.

Students will have a graded online quiz this week on the flag and pledge.

Math

We will be starting addition to 10 this week. Students will concentrate on adding two numbers together to find the sum using pictures and concrete manipulatives.

Students will be tested in class this week on numbers 1-30 for a grade.

Upcoming:

***No School Monday, Sept. 7. (Labor Day)

***Fall Pictures have been moved to different days. Pictures will be on Sept. 30 and Oct. 1.

Mrs. Davis' News

WEEK OF: 9/7-9/11

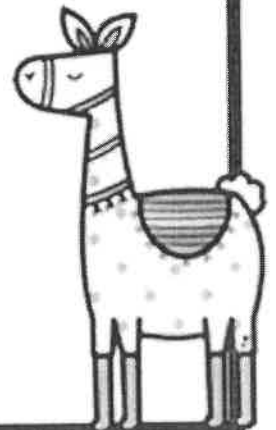

Specials

In class, students will have Library on Mondays and Tuesdays. They will have Art in class on Wednesdays and Thursdays. Students will have P.E. both days they are in school. However, days that students are not in school, they will have more P.E. lessons online. Music, P.E., and Guidance will need to be done at home. You can get to those classes' links by finding them at the bottom of your assignments page every week.

Ice Cream Days will be on Mondays and Tuesdays.
